

The Chairman's Message

March 2011

The Call for Presentations for the 2011 Emerson Exchange is now closed.

Thanks to all who contributed to the record 597 abstracts that were submitted before the March 21st deadline. You have challenged the Presentations committee with this record submittal in which they will be working through the difficult task of deciding which abstracts to select for the Exchange. Your willingness to share your technical and management experiences will result in an Exchange rich in presentation content that will provide the opportunity for **“EXCHANGING IDEAS”** and **“CREATING SOLUTIONS”**.

The Presentations Committee is already hard at work reviewing the abstracts and will advise presenters of their decision in the very near future. They will also post updated conference content to the website as soon as it is available, enabling attendees to review the Workshops, Short Courses and other sessions planned for the event.

I encourage you to begin making your plans to attend the Emerson Exchange at the Gaylord Opryland Resort & Convention Center in the Country Music Capitol city of Nashville, Tennessee from October 24th through - October 28th, 2011. On-line registration will open June 1st at the Emerson Exchange website, www.EmersonExchange.org.

I look forward to seeing you and your colleagues at the 2011 Emerson Exchange - where we will be **“EXCHANGING IDEAS”** and **“CREATING SOLUTIONS”**.

Danny Streets, Chairman – Board of Directors
Emerson Global Users Exchange

Mark your calendars!
